TRIBES

TRIBES is a process we have at Gladesville Primary School. TRIBES is about building relationships and teaching skills to support being able to get along and work with others. One important way is following our whole school agreements.

Mutual Respect
I treat other people the way I want to be treated myself.

Parenting Ideas

Encouragement

There is little doubt that the most powerful confidence boosting skill that a parent has is the ability to encourage children.

Encouragement focuses on the process and not the results of the activity. Focus on children’s efforts, improvement and contributions they make.

Encouragement is more than just saying the right words.

Encouragement begins with attitude. You need to really believe that children are capable and that they can achieve whatever it is they wish to do.
The Biggest Morning Tea has now become part of what we do at Gladesville Primary School. There are many families in our Community touched by cancer.

Your $2.00 donation will get you a hot milo & muffin.

Please send money & order back by Friday 16\textsuperscript{th} May for catering purposes.

Gladesville Primary School introduces you to ANZ

We have formed a partnership with the ANZ bank at Eastland to provide us with cash rewards for every client that takes out a new home loan or refinances their current loan with ANZ. All potential clients need to do is quote the TPMI number below and Gladesville will benefit in cash. Anyone you know who might apply for a loan can quote this number to support our school. Its an easy fundraiser for us and even just one referral could result in $1200 cash straight to the school! So........

Present this Introduction to Luisa Cammarere ANZ Home and Investment Lending Manager at Eastland when you apply for your eligible ANZ home loan. For more information, please contact Luisa Cammarere on 8804 1200.

All applications for credit are subject to ANZ’s normal lending criteria. ANZ terms and conditions, fees and charges apply. Gladesville Primary School may benefit from ANZ in the form of a cash payment (being up to 0.5% of the eligible loan amount actually approved and drawn down). You can ask ANZ if your loan is an Eligible Loan for which the Introducer will receive a commission. Please present this flyer at the ANZ loan application for Gladesville Primary School to be eligible for a commission payment.
