STATEMENT OF PURPOSE:
This policy aims to provide a welcoming, supportive, emotionally and physically secure learning and working environment for every member of the Gladesville school community.

RATIONALE:
Gladesville Primary School is enriched by and celebrates the diversity of culture, beliefs, practices, customs, physical and intellectual abilities and life experience of the whole school community.

We aim to maintain and develop an inclusive school culture that fosters acceptance and respect for diversity. In doing so, we seek to deepen understanding and knowledge, promote school community wellbeing and help everyone achieve their full potential. Consequently, discrimination, harassment, vilification, bullying and victimisation will not be tolerated at Gladesville Primary School under any circumstances.

This school supports the Equal Opportunity Act 1995 (Vic), which states that it is against the law to discriminate against anyone, including school community, because of their actual or assumed:

No member of the school community should be treated less favourably because they possess any of the above personal characteristics nor will such characteristics affect access to benefits and services Gladesville Primary School provides.

We will support members of the school community where there has been a misinterpretation of actions (verbal, written, text).

DEFINITIONS THAT APPLY TO THIS POLICY

Direct discrimination means treating someone unfairly or less favourably because of one of the personal characteristics listed above or because of their association with someone identified with one of those characteristics.

Indirect discrimination happens when a rule, policy or requirement unnecessarily or unreasonably disadvantages a group of people because of a protected personal characteristic they share.
Harassment is behaviour (through words or actions) based on the personal characteristics listed above that is unwanted, unasked for, unreturned and likely to make school an unfriendly or uncomfortable place by:

– humiliating (putting someone down)
– seriously embarrassing
– offending (hurting someone’s feelings) or
– intimidating (threatening someone so they behave in a certain way)

Sexual harassment is an unwelcome sexual advance, request for sex or any other sexual behaviour that a reasonable person would know or expect would offend, seriously embarrass or humiliate another.

Vilification is behaviour (through words, text or actions) that incites hatred, contempt or ridicule of another person because of their race or religious belief.

Bullying is unreasonable behaviour that is intimidating, threatening or humiliating and repeated over time or occurring as part of a pattern of behaviour. Bullying can be physical, text, verbal or indirect, and creates an unfriendly, threatening or offensive environment.

Victimisation means treating someone unfairly or otherwise disadvantaging them because they have made an Equal Opportunity complaint or might do so in the future.
