Dear Parents

During the year there are times when your child’s teacher may wish to walk your child’s class to a location close to the school.

This could include the shops, counting cars on a major road, local preschool centres, the park and other various activities in the immediate neighbourhood.

These trips involve no cost and may often be decided during the day if the weather is fine. Schools have a local excursion form to cover these activities and as there is no bus travel or cost involved, it is easier for parents to sign a blanket permission form for these activities.

We are seeking parental permission, for your child to be involved in these types of activities. As with all excursions, student/teacher ratios are observed and all care taken.

Please fill in the form below and return it to your child’s class teacher as soon as possible. A separate form will be required for each student, as teachers will need to keep a copy of the permission form in their rooms.

LOCAL EXCURSION FORM

I give permission for my child to attend the local excursions which require no cost and which are within walking distance of the school. I authorise the teacher in charge of the excursion to consent, where it is impractical to communicate with me, to my child receiving any surgical or medical treatment as may be deemed necessary and bear any cost incurred.
