Planning For 2017

Plans for next year are well underway with several new and exciting projects planned. At the time of preparing this report, we are still trying to finalise grade structure for 2017, so if your child will not be at Gladesville Primary School in 2017, please advise the school office as soon as possible. Our student population determines the Student Resource Package (SRP) each year. This is the budget provided by the state government to operate our school. At this time we are deciding on the number of student groups. To finalise our plan, which includes the number of teachers and specialist programs, we need to confirm our projected enrolment for 2017. If you are sure your child will not be returning to Gladesville Primary School next year (excluding year 6 children) please contact the office. If parents have any special educational considerations for the placement of their child for next year please put these in writing and send them to Mrs Wood by Friday 28th October. As making up the school structure is very complex, all parental issues will be taken into consideration before this process is completed, however we do not make any promises that we will be able to satisfy them. Neither verbal requests, nor request submitted after this date can be considered.

Chelodina Festival - Elizabeth Bridge Reserve SAVE THE DATE!!

It is almost time for the fabulous annual Kilsyth community celebration that is the Chelodina Festival. This year the event will be held at Elizabeth Bridge Reserve, Durham Road on November 13\textsuperscript{th}. Gladesville Primary School will be holding a stress ball making stand and our choir will be singing a few songs. We are also asking ALL Gladesville students to join us on the stage to sing our Gladesville Leadership song “I Am A Leader” at 2:10pm. A notice with more information about this great community event will be coming home next week.

Breakfast Club

Breakfast Club has been running a treat! We are averaging 25-30 students at each session. We would like to remind all families that Breakfast Club is for the whole school community. Parents, siblings and grandparents are all welcome. It is a great community atmosphere to start each Monday, Wednesday and Friday. If you are able to donate a tub of butter or a jar of honey or jam, please drop them into the office.

Foundation, 1’s and 2’s

The Preps, 1’s and 2’s have been busy identifying the features and qualities of a superhero! Not only are they looking at famous superheros, but people in our community such as mums, doctors, firemen and ourselves are heroes too!

As we move forward, we will explore how superheroes use leadership and the 7 Habits.
Year 3’s and 4’s

**Superheroes**

**To what extent are Superheroes leaders?**

That is the question we plan to answer by the end of this unit.

In Years 3 & 4 we have been coming together twice a week, to learn how superheroes show leadership and the 7 Habits. We have compared superheroes and described how some superheroes show the 7 Habits. We chose words to describe the type of classroom we would want. All students have just chosen a superhero and have started researching. They will present this information in an information report.

**Happy (getting work done)**

- Responsible (helping people)
- Organised (doing good work)
- Entertaining (being nice)
- Self-starter (start our day well)

By Zac & Natalie
Year 5’s and 6’s

The grade 5/6 students have been researching and constructing information posters about individual Superheroes or Supervillains. At present we are focusing on the history of Superheroes/Villains but will soon be looking at their leadership qualities and how they use them, for positive or negative purposes. Along with research and posters students will create comic strips and a script for a movie. Everyone is having a SUPER time and is eager to continue learning about these iconic characters.
