Mutual Respect, Personal Best, Appreciation, Participation/No Put Downs, Attentive Listening

FROM THE PRINCIPAL
Community Group

* President
* Vice President
* Secretary
* Treasurer

Our hard working Community Group leaders Christine Heffernan—President, Melanie Morgan—Vice President, Stacey Catlow—Secretary and Jane Sparrow—Treasurer are well supported by some wonderfully hard working parents. They would love to see some new faces at meetings. Come along and get to know others and support the school in different ways.

LIAISON PARENTS

Our Liaison parents are available for you to talk to about any concerns, worries or things that you do not understand. School is very different to when we were all at school as parents and sometimes it is hard to keep up. These parents are often at school and you can approach any of them.

PARENT AND STAFF COMMITTEES

In this weeks newsletter we have the faces and the names of those who are on various committees throughout the school. Our School Council, Community Group and Liaison Parents are just a few ways that people can support the programs and the smooth running of our school. We thank all of these people as well as those behind the scenes who are always there to lend a hand. Get to know these people and support them when you can.

UNIFORM

Students need to dress appropriately for the weather. Shorts and netball skirts are for Term 1 and 2. During the winter months students need to be in warm clothing. Track pants are available from the School Uniform shop or second hand shop at school.

PARKING IN SCHOOL GROUNDS

Parking permits have been issued. If you do not have one you MUST park in the street.

BONZA NIGHT

WOW we had a great night. Thank you to the community group members who put the orders together, purchased the food and drink and put it all together in bags with children's names. Thank you to the staff—Jordan Tate, Lesley Cox and Jody Thomas for being there on the night.

TRIBES

TRIBES is a process we have at Gladesville Primary School. TRIBES is about building relationships and teaching skills to support being able to get along and work with others. One important way is following our whole school agreements.

Personal Best

I always aim to do my very best.

Parenting Ideas

Resilience

In our current -oriented society it can be difficult to provide the type of childhood that promotes long lasting resilience in children. It is tempting to over organise their lives and fill every spare moment with some type of activity.

The emergence of indoor playgrounds shows the lengths we go to ensure that they never get bored (or even get wet and cold when they play)!

It helps to stand back and take stock of the type of childhood that we provide for our kids.

Parents’ guide to online safety

Social Networking

What can I do? As a parent, you can help your child have positive experiences on social networking sites.

Social networking describes a variety of services like Facebook, YouTube, Instagram, World of Warcraft, Moshi Monsters, Twitter, Skype, Snapchat, Minecraft and many others. All of these services enable direct interaction between individuals. Users can post information about themselves, display photos, tell people what they’ve been up to, chat and play games. Social networking forms a part of the social identity of many young people.

Grooming

Online grooming is the illegal act of adults making contact with a child online for the purpose of establishing a sexual relationship. Often this will be via a social networking site, but it may also be through other online services.

++ Stay involved in your child’s use of new technology. Set up your own account and learn about privacy settings so you can understand how you can best protect your child. It can be fun for you too!

++ Check the age restrictions for the social networking service or game.

Some social networking sites (such as Club Penguin) are created especially for children under the age of 13, but most mainstream sites like Facebook, Instagram and others require the user to be 13 or older.

Paper Art Workshop for Children

Paper Art for Children (8 to 12 years)

The very talented Michelle Blackwood has announced a workshop for children. Projects during this workshop will include a folded book circus tent and/or origami box, bird and butterfly decorations, tissue paper flower and origami heart bookmark.

All materials will be supplied and Michelle is lovely with the children.

Each child will receive a take home “goodie bag” containing extra project materials plus a small thank you gift for participating in the class.

Friday 11 July 2014
10am to 11.30am
$28 includes all materials
Bookings essential
