Oxley Community Sport Day

Last Friday, the Year 5 and 6’s went to Oxley College to compete in Yarra Division Community Sports day, the last event of our Interschool Sport calendar. Students competed in a variety of events, including the goal kick, tunnel ball challenge, sprints, basketball shooting, quoits and other fun activities. We competed against Oxley College, Billanook, Kilsyth, Chirnside Park and Manchester Primary Schools. During the afternoon students and teams who had made it to state level competitions were honoured for their achievements. One student from Manchester has made it all the way to National Cross Country! Well done to all the Gladesville students on their hard work and a big thank you to Mrs Savaris, Julie S, Mel M, Darren K, Chris H and Nicole L for helping on the day.

SAFEMINDS: AT HOME

SAFEMinds offers parents and carers a series of information forums which will focus on helping parents and carers understand their role in supporting their child’s mental health and wellbeing, and connecting them with school and mental health resources within their local community. In addition, parents will have access to a targeted version of SAFEMinds Online and Toolkit resources.

SAFEMINDS ONLINE

SAFEMinds Online uses an immersive, video-based experience, to tell a series of personal stories of children and young people, their families and teachers. This approach aims to develop the knowledge and understanding of the whole school community – school staff, parents and carers – about the many different forms of emotional distress children and young people may experience, and how these might be presented. Supporting resources, further background information and the HELP it in the bud! Toolkit can also be found in SAFEMinds Online.
