\textbf{FROM THE PRINCIPAL}

\textbf{BUNNINGS BBQ}
A very BIG thank you to Jane Sparrow and other Community Group members for organising the Bunnings BBQ. Very few people were able to assist on the day with BBQ but we managed with wonderful people donating from half an hour to 4 hours of their time. We know that weekends are busy and juggling between different events can be difficult so we do thank those who came. This money will be put towards Educational Programs we run in the school which cost a lot each year but are available for FREE to families.

\textbf{SCHOOL CHOIR}
Thank you to our wonderful Choir who came on Sunday from 11.00—11.30 to sing to the shoppers at Bunnings. Thank you to the families: Morgan, Murphy, Hill, Donders, Prior, Dobbyn, Fraser, Biber, Heffernan, Caulfield, Galea and to Mrs Savaris our Choir Coordinator for making the time to come to sing and organising the event. Once again they did an amazing job.

\textbf{PLUTO HOUSE VICE CAPTAIN}
Congratulations to Chloe for being chosen to support Emily in the running of Pluto House. A vacancy appeared when Sky left the school.

\textbf{UNIFORM}
Great to see students in track pants and warm jumpers. Remember we have uniforms for sale at the Office and also the second hand uniform shop run by the Community Group.

\textbf{PARENT TEACHER INTERVIEWS}
Thank you to all the families who came along to talk to their child’s teacher. Children love to show what they are doing at school. Thank you to all the staff for giving their time. If you were unable to make it please ring or see the teacher to make another appointment time.

All of our SRC students will hold their position until the end of Term 1 2015 when there will be a new election. Kyle will move on to Secondary School and a new person will be nominated for his position next year.

Our students are very keen to meet and improve our school.

SANDPIT

After our new sand arrived students were very excited and together created a city based on the Incas. It looked wonderfully creative and imaginative.
TRIBES

TRIBES is a process we have at Gladesville Primary School. TRIBES is about building relationships and teaching skills to support being able to get along and work with others. One important way is following our whole school agreements. Another way is to give students strategies.

‘I messages’

Teaching students to use ‘I messages’ and also teaching them how to respond to an ‘I message’ teaches children to be assertive and explain what has happened for them. Sometimes students may do something to another students and not be aware that they have upset them. An ‘I message’ alerts them and often the ‘problem’ is quickly resolved.

Parenting Ideas

Resilience

A resiliency-promoting childhood has the following features:
1. Children don’t always get what they want.
2. They have plenty of opportunities to solve their own problems without adults trying to fix everything for them.
3. Children are expected to help at home at a young age without being paid so they learn to be useful.
4. Parental expectations for success are positive, realistic and based on a child’s interests and aptitudes rather than on adult wishes.
5. Children receive liberal amounts of encouragement but moderate amounts of praise.

Parents’ guide to online safety

What can I do? As a parent, you can help your child have positive experiences on social networking sites.

| ++ Advise children to set their accounts to private so that only people they want to see it can view their information. | ++ Remind children to be careful when making new friends online; people may not be who they say they are. Never arrange to meet an online friend unless a trusted adult is with them. | ++ Learn how to keep a copy of online conversations and how to block people prior to an issue occurring. |
| ++ Encourage children to think before they put anything online. Information posted online can be difficult or impossible to remove. An inappropriate image posted today can have a long term impact on their digital reputation. | ++ Report any abuse or inappropriate content to the social networking site and show children how to do this too. | For more information on managing your children’s access to particular social networking sites, visit cybersmart.gov.au/parents.aspx |

World Cup House Sports

Student are competing in their house groups and the Captains and Vice-Captains have chosen countries that are competing in the World Cup to play for. Each team will compete in four events. If it is raining we have indoor activities but if it is not most activities will be outside so an extra pair of socks or track pants might be a good idea.

Parents are welcome to come along and cheer. It’s a free dress day with no gold coin donation. Wear clothes and shoes suitable for sport -perhaps in the colours of their country.

Inter school sport

This Term our Grade 5 and 6 students enjoyed playing either softball, volleyball or netball against or with Billanook, Kilsyth, Chirnside, Manchester, Oxley and Lilydale West Primary Schools. Both our volleyball and netball teams came 3rd overall. Fantastic. Many new skills learnt along the way. Thank you to Mr Jordan Tate, Ms Tracy Johnson & Mrs Helen Savaris for giving up lunchtimes to train our teams. Our students gave their lunchtimes to practise and their team skills improved greatly.

Congratulations to the softball team for making it to the finals. They will play this match in Term 4.
