FROM THE PRINCIPAL

**SHADE SAILS**
Our Shade Sails have been taken down over the Prep playground. They are going to be cleaned, repaired and put back up. The wind has been quite damaging to them.

**MATHS CHALLENGE**
Well done to Sam, Tali, Thomas and Darcy for their efforts at the Heathmont Maths Challenge last Friday. 12 schools attended and Gladesville students came 5th. They had 4 challenges such as puzzles, problem solving, block buster activities. Thank you to Mrs Helen Savarasis for taking our 4 Grade 5 students

**PUBERTY SESSION**
The Puberty session scheduled for this term has been postponed until weeks 2 and 3 of Term 4.

**SWIMMING**
Swimming in the last week of term will still go ahead despite the terrible ordeal experienced by the Kilsyth Pool, with yet more people in our community vandalising property with no care for others. We will be still be swimming at Kilsyth Pool as repairs should be completed sometime next week before our lessons begin. We will be leaving at 9.00am so all students need to be on time or they will miss the bus.

**3rd & Final Payment - Friday 5th September**

**SOVEREIGN HILL CAMP**
**GRADES 5/6**
Tenth & Final Payment - Due Friday 19th September 2014. Camp notices have been sent home. PLEASE return as soon as possible.

Our students and staff are very excited about Camp and are looking forward to the first week back next term.

**DADS BREAKFAST**
Vouchers for adults and students attending our Dads Breakfast were sent home on Wednesday. **Please bring your vouchers on Friday.** We are looking forward to welcoming you to our school for a hearty breakfast and time with your family.
VISIT TO KILSYTH KIDS
Mr Peter Humphreys with two willing helpers Annabelle and Noah visited Kilsyth Kids last week to play with instruments, tell stories using puppets. The children got up and danced and everyone had a lovely time.

VISIT TO LADYBUG
Part of our Transition Program for Grade 4 students who will be BIG Buddies next year we have them visit the kinder and Childcare Centres to meet and play with the younger students. Last week some of our Grade 4 students—Katrina, Reilly, Chloe, Lachlan, Hayley were involved in setting up painting and drawing, playing tiggy, saying their poems and listening to the kinder kids recite a poem and generally being together. They all had a wonderful time.
TRANSITION

We had 4 different experiments. Thank you to Willow, Chloe, Reilly and James for helping as Grade 4 Buddies. We watched milk change into a rainbow, volcano coloured bubbles rise from the muffin tin, eggs magnifying through water and played and worked with magnets. We finished with a lovely story read by Reilly and James.
POEM IN YOUR POCKET
@ GLADESVILLE
LITERACY AND NUMERACY WEEK.

Last week we all dressed up as a character from a poem. Our Theme was “Poem in a Pocket”. We had a parade and then worked in small multi age groups to listen to others and also to recite our poem. It was lots of fun and the costumes people wore were amazing.
Parents’ guide to online safety—How much is too much?

Facebook is a social networking site where users set up a profile with photos and information about themselves.

Users share (post) photos, links, videos and comments with ‘friends’ of their choice and ‘like’ and comment on other people’s posts. Users can limit who sees their profile.

13 is the minimum user age required by Facebook.
If your child is over 13 you should still consider the following before agreeing to unsupervised Facebook access:

<table>
<thead>
<tr>
<th>Is your child able to withstand taunts from others?</th>
</tr>
</thead>
<tbody>
<tr>
<td>If you think your child will become very upset (more than other kids) if they have a negative experience online, your child may need you to guide them through the use of Facebook.</td>
</tr>
</tbody>
</table>

Look through their profiles and public feeds together, talk about how some people behave differently online and teach them how to filter abusive comments, block and report people.
