Gladesville Primary School Newsletter
Thursday 13th August, 2015

Our Vision is to:
* Promote positive relationships to strengthen our whole school community
* Maximise student engagement and learning
* Maintain a safe, caring and inclusive environment
* Work as a team and challenge ourselves to create success
* Encourage resilience, positive mental health and wellbeing

A few messages from the Principal’s desk. . .

Gladesville Primary School, and the Department, is committed to good communication and treating everyone with dignity and respect. We would all agree that a safe supportive and inclusive school community is essential for providing quality learning for all students.

Today students will have brought home a copy of the Gladesville Primary School Statement of Values: Promoting Healthy, Safe and Respectful School Communities. This document was tabled at School Council last night. This document sets out the behavioural expectations of all school staff, parents, and visitors. We ask that you read and discuss this document as a family and return the agreement sheet back to school via your child.

This document will be displayed in the school foyer for reference by all of the Gladesville School Community and visitors to our school. If you have any questions about this document please contact Nicole Wood, Principal

Have a great week and enjoy the special moments with your beautiful children. - Mrs Wood

A Tribes Learning Community

Mutual Respect, Personal Best, Appreciation,
Participation/Right to Pass, Attentive Listening

Fathers Day Stall

Friday 4th
Dad’s Breakfast
Thanks to our wonderful Community Group for organising Bonza Night. We had loads of fun. Thanks to Mr Humphreys, Mrs Pannowitch and Mrs O’Callaghan for supervising.
A HUGE thanks to our families who were able to join us for the working bee on Sunday. We may have only had a few people but we achieved everything on the list by 12:00!! This included putting topsoil in the garden beds, mulching, planting cauliflower, carrots, snow peas, turnips, broccoli and a range of herbs in our fabulous gum boot herb garden. Our dads even spread the remaining topsoil on the surrounding garden beds.

THANKS to Stephanie and Peter Monds, Sarah Beever and Dave Jolley for their efforts on the day. Thanks to the family for the Bunnings Voucher they donated to the school for this working bee. Thanks to Rossette and Stephen McLaughlan for proving us with additional gum boots and screws for the garden.

Ayla Harnett and Georgia Monds—you worked like troopers! WELL DONE!

We are still looking for more gumboots so if you have some at home or find them in the op shop, we would love to plant them up!

Library Wrap

Over the next few weeks students will be exploring the fabulous work of Graeme Base. I invite you to visit his website graemebase.com with your children and read some of his wonderful stories.
Investigation Time in Prep and 1C

In the construction zone of the classroom, Prep and Grade 1 students are learning to

- Use social skills when playing
- Work as part of a team
- Be creative
- Develop new vocabulary
- Celebrate their success

I am Eleven

The world acclaimed documentary is a portrait of humanity at an important age – no longer children, not quite adults, preparing to inherit a world changing as quickly and dramatically as they are. This is a must-see opportunity for students transitioning into teenage years, as they enter a globalising world and find their own way.
