Our Vision is to:
* Promote positive relationships to strengthen our whole school community
* Maximise student engagement and learning
* Maintain a safe, caring and inclusive environment
* Work as a team and challenge ourselves to create success
* Encourage resilience, positive mental health and wellbeing

A few messages from the Principal’s desk.

This will be our last newsletter for Semester 1, 2015.
An Update issue will be sent out next Thursday with our usual reminders and updates. I have had very positive feedback about moving to a fortnightly Newsletter and Update system. If you have an article, information or even a delicious recipe to share with our community, please email it to the school and we will look to include it in the Newsletter.

A few reminders:

- Please ensure that ALL student uniforms are blue and gold/ yellow as per the school uniform policy.
- Please NAME all clothing items so that they can be returned as soon as they have been found.
- Curriculum day Wednesday 24th June

Enjoy the last week of the term and try to stay warm.

- Mrs Wood

Gladesville Help Required

As always, I invite you to share your ideas with me on what is working well in our school community and what we can do to make things even better.

Gladesville Primary is currently undergoing a school review. The school review process draws on the expertise and experience of professionals throughout our system to support every school to evaluate their current practice and to plan for and deliver improved student outcomes in partnership with other schools and educators. Our School Review Day will be on Monday 14th September.

The performance of all government schools is assessed against a set of key threshold standards relating to student achievement, engagement, wellbeing and productivity. Schools with performance outcomes that meet or exceed key performance thresholds undertake a peer review within a four-year cycle.

As part of the review process the school is conducting a self evaluation of the past four years and our future directions and vision. We would appreciate everyone taking a small amount of time to answer our online survey requesting feedback for our School Review. This is critically important for our next important four years of growth for your school. This is a wonderful opportunity to have your input to your school's direction and vision. PLEASE take the time! The survey only consists of five questions. The closing date is Friday 26th June.

2015 Production: Peter Pan

This year our wonderful students will be presenting Peter Pan as our 2015 school production on August 5th at Mt Lilydale Mercy College. The students have been preparing their songs and dances during Performing Arts lessons. Mr Humphreys has been working with students to learn their lines and scenes. We are now looking for parents and families to assist in the preparations of costumes, sets and props. If you think you may be able to help out, please see Mr Humphreys or Mrs Wood.
Help Shape the Education State

The most important thing that we can do as a school community is to make sure we give each and every student a great education and a great start to life.

I know from speaking to many of you that you have great ideas for how we can improve the education we provide our students at school, and more broadly how we can improve our school system as a whole.

I also regularly hear ideas from our staff, our school council, our local businesses and others in the community on how we can make our education system even better.

The Victorian Government has committed to making Victoria the Education State and has recently begun a consultation process – asking for us to share our ideas and experiences, our challenges and solutions – to help us improve our education system across the state.

This is an opportunity for all of us to have our say and play a role in shaping what our education system will look like in the years to come.

I will be thinking about how I can contribute my ideas to this consultation and I will be asking our staff to participate as well. I invite you to join in the conversation, because your ideas and insights – as parents of children currently in our school system – are critical to making sure we get the vision right for our state to become the Education State.

The best way to get involved is to go to educationstate.education.vic.gov.au where you can join in the online conversations or register to attend one of the sessions running across the state throughout June and July.

Help shape the Education State
CSEF (Camps, Sports and Excursion Funding)

Do you hold a current pension, healthcare card or Veterans Affairs Gold Card?

The Victorian State Government has established an initiative to ensure that all Victorian students can take part in school trips and sporting activities. The Camps, Sports and Excursions Fund (CSEF) will run over four years and provide payments for eligible students to attend camps, sports and excursions.

Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. $125 per year will be paid for eligible primary school students, with $225 per year paid for eligible secondary school students. Payments will go directly to the school and be tied to the student.

Eligibility
To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must:

- on the first day of Term two, or;
- on the first day of Term three;

  a) Be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, be the holder of a Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, OR

  b) Be a temporary foster parent, and;

  c) Submit an application to the school by the due date – 25th June 2015

How to apply
Contact the school office to obtain a CSEF application form.

2016 Foundation (Prep) Enrolments

If you have a child starting Foundation (Prep) in 2016 please drop into the office and collect an enrolment form. We would very much like to have enrolments for the 2016 Foundation class handed into the office by the end of July as this gives us ample time to plan staffing and programs for the coming year. Thanks in advance!
Due to the short school week, Students of the Week were not selected for this period.

Holiday Homework for PARENTS

Concern: Large number of good quality jumpers etc handed into the office with no names

Task: Check and Name students’ uniform.
Check that your child has brought home uniform that belongs to them.
Check whether you have named their jumpers, jackets etc.

Outcome: Increased probability that your child’s belongings will be returned to them.
