Our Vision is to:
* Promote positive relationships to strengthen our whole school community
* Maximise student engagement and learning
* Maintain a safe, caring and inclusive environment
* Work as a team and challenge ourselves to create success
* Encourage resilience, positive mental health and wellbeing

A few messages from the Principal’s desk. . .

The poor weather did not stop us from holding a lovely ceremony to acknowledge Gladesville being one of three hundred schools to receive a Gallipoli Oak to plant in our grounds. We look forward to sharing the pictures and more information with you in next week’s newsletter. When the weather is better, we will arrange a time to plant the oak in our grounds. Families will be most welcome to join us at this time.

Assembly

Today you will have received a letter explaining the changes to the assembly schedule in more detail. Please be assured that all changes to the school timetable are made in the best interest of the school community as a whole. If you have any further questions about the changes to this schedule, please feel free to contact me.

Parent Feedback

This year, Gladesville Primary School is undergoing a whole School Review process. This is a fabulous opportunity to celebrate the success of our school and set the future directions for our learning community. the coming weeks, I will be asking parents to complete a short reflection/feedback task and return it to the office to be collated as part of our self evaluation process. A copy of this form has been sent home today for you to fill in and complete.

Gladesville is very much a partnership community consisting of teachers, students, parents and extended families. Your feedback is very important to us.

Have a great week!

A Tribes Learning Community

Computer Opportunity for Parents

Gladesville Primary School has been offered 20 fully funded places in a Certificate III in Business course. The offer is available to parents, friends and families of the school community who meet eligibility criteria. This is an amazing opportunity for adults wanting to develop their computing skills in preparation to return to the workforce, as well as developing skills to support our children with their learning. All participants will be loaned a Toshiba notebook computer to be used throughout the course. This computer will have all of the programs and materials required for the course.

There is no fee or charge for this course! The course will be run at Gladesville Primary School in the library at 9:30am—1:00pm on a day to be confirmed.

I encourage anyone looking to return to the workforce or upskill themselves to complete the expression of interest form that has come home today and return it to the school ASAP.

BIGGEST MORNING TEA

Reminder

Orders need to be returned tomorrow (Friday 15th May)

ASPIRE APPLICANTS’ EXAM

Date:
Friday 12th June, 2015

Time:
9.15AM—12.30PM (ALL APPLICANTS)
12.30PM—2.00PM (ONLY MUSIC CONCERT BAND APPLICANTS)

Location:
MOOROOLBARK COLLEGE

Applications Close:
Thursday 4th June, 2015

This program targets students with high aspirations, who actively set and strive to meet challenging learning goals. ASPIRE students consistently aim for their personal best. These students learn through engaging in a stimulating curriculum which is designed to respond to their abilities, interests and needs.

There are three classes running in the ASPIRE program: English/Humanities, Mathematics/Science and Music Concert Band. Students are placed into one or more of the classes depending on their individual strengths.

Further enquiries regarding the ASPIRE Program should be directed to

Mr Christopher Stephen,
Aspire Program Coordinator
