Italian Excursion
The fun and learning continues at Gladesville Primary School. Yesterday our Grade 6 students travelled to Lygon Street by train to explore all things Italian with Signora Cuttriss and Mr Tate. This was another fabulous example of connecting and driving learning through real world experiences. Thanks to the staff who organised this wonderful learning experience for our students.

Support Services at Gladesville
Did you know that we have a number of Psychology and Counselling Students that are based in our school a few days a week. These lovely professionals are here to support our students and families with issues that arise or may be ongoing. If you have a need for this resource please see myself or your child’s teacher. All cases go through a referral and priority process.

Planning for 2016
When we plan grade structures and class groupings there are many things to be taken into consideration including social, emotional and academic learning needs of each individual child. If you have a specific request for your child in 2016, you must put this in writing addressed to Mrs Wood by Friday 6th November. While we cannot guarantee every request, all information will be considered when making up the classes for 2016.

Have a lovely week!
- Mrs Wood

Community Group

Last week we announced that Stacey Fyffe has stepped down from her position as Community Group President. A reminder that Leesa Heffernan, will oversee the Community Group for the remainder of the year and work with the executive committee to ensure a smooth finish to the year. We will be looking for a new President for the start of 2016. If you are interested please see Mrs Wood to discuss. All expressions of interest will need to be in writing.

SAVE THE DATE: Working Bee

The last working bee for the year will be held on Saturday November 21st 9:00am—12pm. Mrs Wood will be providing a delicious morning tea on the day. If you have not been able to make it to a working bee this year we hope to see you there. There will be jobs for all ages. More details will come home in the coming weeks but please save the date on your family diary.
Melbourne Cup Eve at Gladesville

Students worked hard and made hobby horses. They had races on the basketball court. A lot of students worked with a partner to cut, colour, staple, stuff and tape to make their hobby horse and attached it to a ruler.

Canteen

We are looking for volunteers to coordinate and assist in the canteen in 2016. We are currently planning a semester one volunteer list, so if you are interested, please let the office know as soon as you can. Without volunteers each week, the canteen can not operate. Thanks for your support!
