Our Vision is to:
* Promote positive relationships to strengthen our whole school community
* Maximise student engagement and learning
* Maintain a safe, caring and inclusive environment
* Work as a team and challenge ourselves to create success

A few messages from the Principal’s desk. . .

Welcome to Term 4, 2015! Can you believe how fast the year is going by? It is fantastic to have started our new term with such glorious weather. I hope that all of our families had an enjoyable break. I, along with my family, got to watch the Hawks win their third consecutive Premiership which made for a wonderful end to our school holidays!

2016 Enrolments
We are looking forward to our first Prep Transition session next week as students and families continue getting to know their way around school and the people that make up our learning community.
If you know of someone who is planning to come to Gladesville in 2016 and has not yet enrolled, please remind them to do so as soon as possible as we are now planning for the year ahead. Also, if your family is moving next year please let us know so that we can have accurate numbers when planning for 2016 grades and programs.

Morning Line Up
You may have noticed that we all grades are now lining up and meeting as a whole school each morning in the under covered area. I have had many positive feedback comments about this from both students and parents which has been lovely.

Have a great week!
- Mrs Wood

Parks and Recreation Planning

This week our Student Leaders have the opportunity to work with the Yarra Ranges Council planning team to develop a plan for a new play and recreation area at Pinks Reserve. Our students had many interesting ideas and the staff from council were very impressed with their thinking. The group will reconvene in a few weeks where they will present a draft design of the area for further consultation with our students.

Education State Briefing

This week principals from all over the state have been attending Education State Schools Briefings. These briefings have looked at the future direction of state education in Victoria. The current government have a number of reviews happening at the moment including Program for Student with Disabilities and Finance. For further information about the Education State, please go to www.education.vic.gov.au.

Can you help?

We have had a wonderful donation of six modern tables for our students to use as part of their collaborative learning. These tables are normally $280 each but have been offered to us for FREE! The only catch is that we need to arrange for them to be picked up from Laurimar Primary School by the end of next week.

If you have a large trailer, van or truck and think you would have time to do a trip from Kilsyth to Laurimar and back. Please let the office know.
Visiting Author and Illustrator: Adam Wallace

Library lessons started off with an abundance of energy this week when local author and illustrator, Adam Wallace spent a session with each grade. Adam explored the art of writing and encouraged students to draw from personal experience when creating entertaining stories. He read extracts from his new book, *The Vanilla Slice Kid*, which was released this year. Adam also worked with students to develop their cartooning abilities with his books *Rhymes With Drawing* and *Rhymes with Art*. All students should have brought home an order form yesterday with some great deals to purchase Adam’s books. Adam donates $2.00 from each order back to the school to order books for our library. He personally signs each book and sends out a free bookmark with each order. If you wish to order any of the books, please fill in the order form and return to school with correct money in a sealed envelope by **TUESDAY, OCTOBER 13th**.

Community Group News

**Chocolates**— please return chocolates / money asap. Please remember that the boxes of chocolates are valued at $60.00

**Bunnings Sausage Sizzle**— We urgently need assistance with this sausage sizzle. It is one of our major fundraisers, we need as many people as possible to help man the stall. A form has gone home seeking your assistance, please return this to school as soon as possible. If you have misplaced the form there is one attached to this newsletter.

**Halloween Disco** — Notices have been sent home, please return by the 21st October

**Peter Pan DVD**

Last opportunity to order the DVD from our term 3 production, Peter Pan.

The cost of the DVD is $5.00. Please contact the office to order.

Those parents that ordered but still need to pay, your DVDs are available to collect from the office
The Gladesville Community Group have booked a day at Bunnings Bayswater for a fundraising sausage sizzle.

This will be a fantastic opportunity to raise a lot of money that will be put towards our School Library redevelopment and the purchase of additional resources.

We are currently asking for volunteers who can help either on the day, cooking sausages & serving the public, or on Friday 30th October preparing the food etc.

If you are unavailable on either day, another way of assisting would be to donate a Coles or Woolworths Gift Card to help with the purchase of supplies.

Thank you for your continued support for our fundraising efforts.
