Welcome back! I hope that you have had a wonderful break with your families. The weather is certainly getting cooler, leaves have started to fall and footy is back! It must be Autumn.

We have made a few organisational and timetable changes this term. Assembly will now be held each fortnight on a Friday afternoon at 2:40pm. This change has been made to allow time for a new part of our TRIBES program which will see students meet in their house groups once a fortnight.

Our wonderful newsletter will be published each fortnight with a smaller version being published every second week, called the Gladesville Primary School Update. The Update will be a brief newsletter with key reminders and information for the coming weeks. Student of the weeks will continue to be presented at our assemblies and printed in the newsletter.

In preparation for what will be a fabulous production on August 5th, we have employed the services of Miss Kate Warner to deliver a Performing Arts Program to all classes. Miss Warner will be working at Gladesville each Monday and comes to us with a wealth of expertise and skills.

Have a fabulous week,
