Our Vision is to:
* Promote positive relationships to strengthen our whole school community
* Maximise student engagement and learning
* Maintain a safe, caring and inclusive environment
* Work as a team and challenge ourselves to create success
* Encourage resilience, positive mental health and wellbeing

A few messages from the Principal’s desk . . .

Leader In Me Parent Information Night: Thanks to all of the parents that attended the information night on Tuesday evening to gain a better understanding about the future direction of the school and how this process will empower the leadership potential in all of our students. If you were unable to attend this event, information from the evening is available at the office.

Museum In Motion: Congratulations to all of the Grade 5 and 6 students on the outstanding learning that was shared with their families at the expo last night. Thank you also to all of the families that came along to support these wonderful young people. This was another example of how learning is celebrated and shared at Gladesville.

Cupcake Challenge: Well done to our team of four students, Alannah, Lara, Aimee and Mackenzie who represented us the Cupcake Challenge at Heathmont Secondary College today. These girls demonstrated leadership and all of the Tribes Agreements as they represented their school.

CPR Training: Tonight, all Gladesville staff will be updating their CPR certification. Staff do this once a year to ensure that our collective knowledge and skills are as high as possible to support our students the best that we can.

Have a great week!

- Nicki Wood

Quote of the Week

Be the kind of leader that you would follow.
Congratulations to all of our students who have signed up for the Premiers' Reading Challenge. It is still not too late to join in the fun. See Mrs Douglas or Mrs Wood if you are interested in signing up.

A reminder to bring back your Reading Challenge record sheet each Tuesday and Friday so that your books can be entered.

A HUGE thanks to Stacy Fyfe for her support of the school by coming in each week to enter all of the books on the system.

Meet the Staff with 5 Fun Facts

This year we will be helping you to get to know our staff a little better by sharing five fun facts about a staff member at Gladesville Primary School.

This week we have Mrs Douglas our wonderful Welfare Officer who works across the school and Miss Tracy Johnson who works in the Grade 4J classroom.

Miss Tracy Johnson

I am a member of Hawthorn Football Club

I play tennis and golf every week.

I have a lovely dog name Sally.

I have travelled to over 20 countries and lived in 4 countries, Australia, England, Japan & America

I love to eat chocolate and ice-cream, especially Ben & Jerry’s and Lindt.

Mrs Kim Douglas

1. My favourite trip was when my husband and I took my 2 sons Brayden and Mitchell, on a holiday travelling around Australia in a caravan for three months. What an amazing experience teaching my kids how to swim and ride a bike as well as visiting all the beautiful sites along the way.

2. I joined Little Athletics when I was in Primary School. I was very lucky to compete in many State Championships at Olympic Park competing in 200mtr relay, shot put and discus.

3. In Primary school I played football on the MCG with my friends in a school team like Auskick which was called the Little League back then. We played for Carlton against Collingwood.

4. I completed my floristry apprenticeship, achieving the honour of being named Florist Apprentice of the Year in my second year, from Boxhill TAFE.

5. My goal this year is to finish the extension to my house. We are in our Tenth year of renovating!
### Student of the Week Monday 6th June — Friday 10th June

Restrictions: All Ages

Ticket Information: Free

Websites:

[Croydon and Districts Table Tennis Association](#)

[David Powell, Aussie Olympian](#)

Free table tennis Come and Try evening. We invite you to come and play the fabulous game of table tennis and also challenge you to test yourself against Australia’s newest Olympian - David Powell - who will be available to play demonstration games and also play against you for a bit. What a great opportunity and something to brag about to your mates!!! Who gets to play against a current Olympian in anything? Make sure you wear comfortable runners and we will provide bats and balls for you to use.

We look forward to meeting you and showing you our stadium with 23 Olympic quality tables and Tinsue rubber flooring, very comfortable to play on. We will also have our serving machine setup for you to try. This machine sends precision serves to exactly where you want them, time and again, so you can practice your shot making.

We have levels for players of all abilities, whether new to the game or experienced. Check out our website and facebook page for more information. Table tennis is excellent for fitness generally and is a non impact sport. After a few good games, you know you have exercised and comments from players are that a competitive game is great fun and takes away the boredom of just running or trying to exercise by yourself. Come and give it a go!

SCHOLARSHIP APPLICATIONS NOW OPEN

Applications for Round 2 are now open and eligible students are encouraged to apply.

South Eastern Chances aims to unlock potential of motivated young people who have an obvious talent by providing them with the financial assistance needed to enable them to pursue their dreams.

Who can apply?

Scholarships of up to $1500 are available to young people up to the age of 25, who live in the following municipalities:

- Bayside
- Booroondara
- Cardinia
- Casey
- Frankston
- Glen Eira
- Greater Dandenong
- Kingston
- Knox
- Manningham
- Maroondah
- Monash
- Mornington Peninsula
- Stonnington
- Whitehorse
- Yarra Ranges

Connections believes in investing in the future of young people, helping them build a better future for themselves and for their community.

Applications for Round 2 close Friday 1 July 2016.
